Teaching Certificate, University of Tel Aviv, 1989.  
Educational management, University of Tel Aviv, 2002.

**F.C.I. - All breed judge**

In my Occupation, since 1989, I am a high school biology teacher. I am an active member of the school administration & Vice manager at “Ironi D High School” in Tel Aviv since 1995.

I owned and bred Flat Coated Retrievers since 1994, and since 2008 Weimaraner is my breed.

Under the Israel KC I served for many & alternate years as the head of the Israeli Canine College and an elected member of the Israel Kennel Club Managing Board at various positions.

At club level, I serve, from my early days until today, at various roles as Chairmanship, club’s breeding committee, and show management. In the Israeli Retriever Club, the Israel Spaniels' Club and the Israel Hunting Dogs' club.

I was qualified as an FCI judge in the year 1999 and judged since at numerous shows around the world.

I was involved at the dog shows scene from all tree angles: As a breeder and handler, who produce champions. From the organizing angle, who produced and was highly involved, at numerous shows from club level shows to international ones under the IKC. And, from the judging point of view, who is nowadays my main interest.
